Key Information:

The entire PROTECTED ENDANGERED SPECIES AREA is fenced from dangerous game. However, walking and cycling within this area is entirely at your own risk. Do not walk or cycle after dark.

The Activity Shed houses bikes and fishing equipment for guest usage. All bike trails start from the Activity Shed. Please make bike reservations in advance to ensure availability.

Please note the below emergency contact numbers. Cell phone reception is intermittent. You may need to walk to a high point to get signal in case of emergency.

Emergency Numbers

Lodge - 044 333 0200 ext.911

Security - 060 526 7930
